INTRODUCTION

One of the key problems that HR has been facing in the past decades is the perception that HR doesn't add to the company strategy. Indeed, HR directors in many organizations are often still looking for a seat at the proverbial (board) table. In many organizations, HR has failed to do so.

Overview

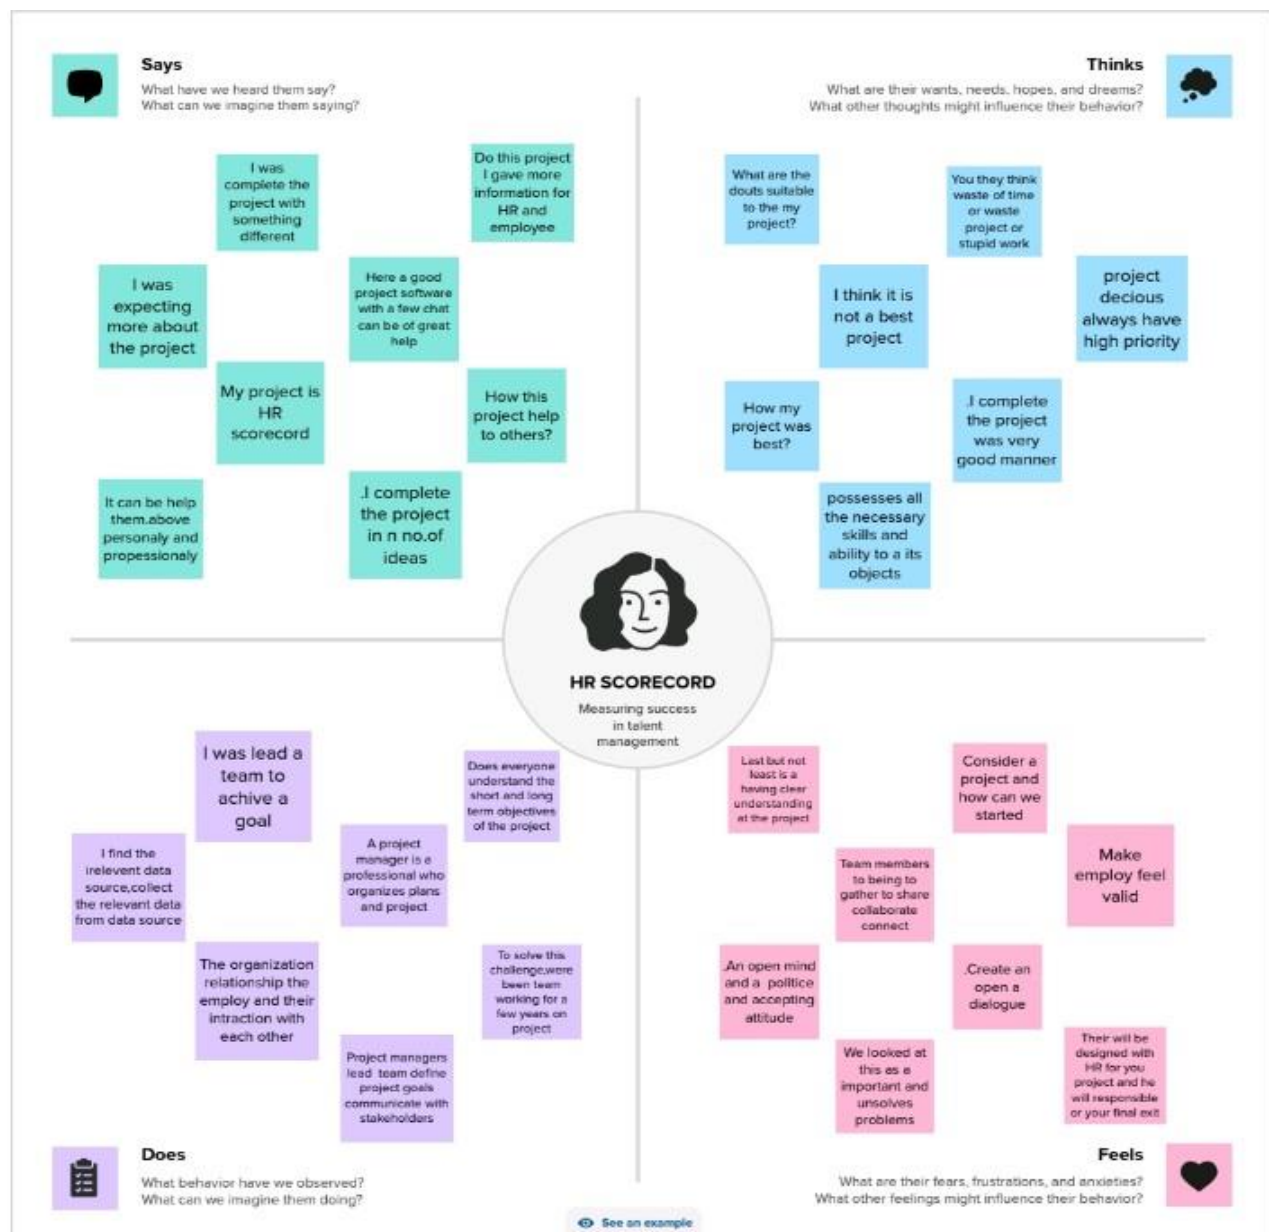

The HR scorecard, is a strategic HR measurement system that helps to measure, manage, and improve the strategic role of the HR department.

Purpose

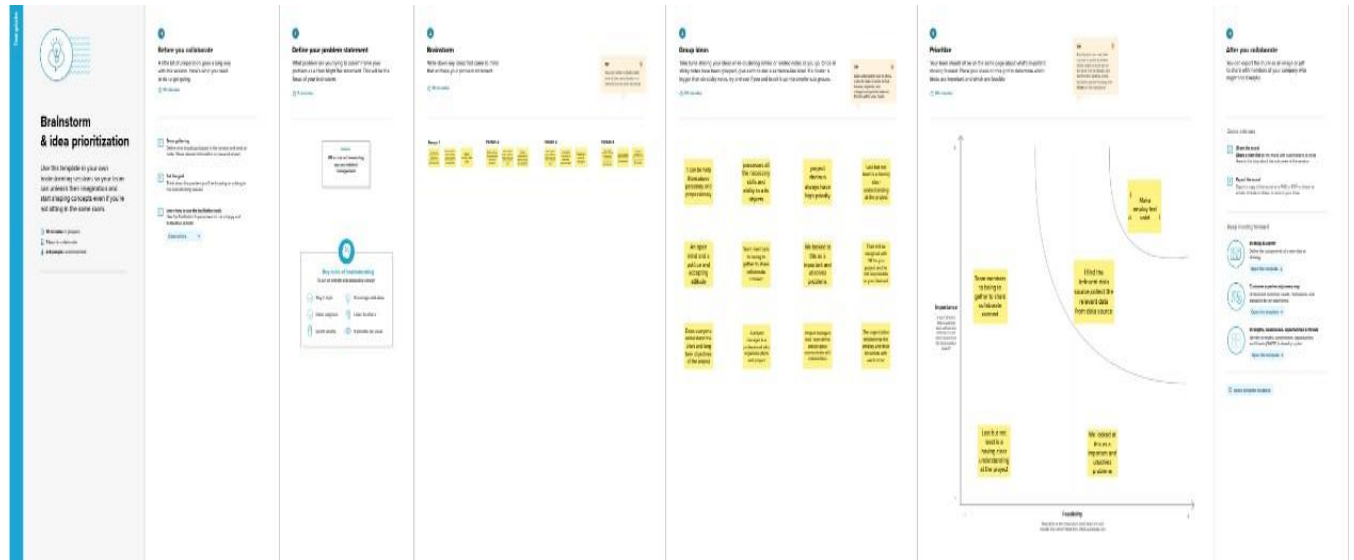

To measure leading HR indicators of business performance.

Problem Definition & Design Thinking
